

# HOUSEPLANTS 101

Learn how to enhance your life and home by bringing the green in with Master Gardener, Mary Jo Sichak.

Topics will include: choosing and caring for the right plant, decorating with live plants, and the health benefits of having plants in your home.

To help get started on their indoor garden, participants will pot and take home a live plant sure to brighten up any environment.

**Thursday, September 20th 4 pm**

**\$25 workshop fee      Space Limited**

**Registration and payment required** through [www.laurelwoodarboretum.org](http://www.laurelwoodarboretum.org) or at the Laurelwood office Tues.—Fri. 12 - 4 pm

Meet at Knippenberg Educational Greenhouse  
725 Pines Lake Dr. W, Wayne, NJ
