APRIL 5- APRIL 27

CATHY UNGEMACH is a longtime Wayne, New Jersey resident who has had the pleasure of raising her family in beautiful Pines Lake. Cathy has spent many hours walking through Laurelwood with her dog Rico and observing wildlife and nature. In this series, "Backyard Friends," her oil on canvas paintings depict animals and aspects of nature that are often overlooked. Nature has provided animals with the texture, pattern and color to help them flourish and go unnoticed.
